Continuation of Substance of Interview including description of the general nature of what was discussed: Ms. Katz was contacted to find out if a response to an Election/Restriction Requirement mailed September 17, 2004 was filed, since the requirement contained a typographical error in claim numbering for Group I (claims 1-14 instead of 8-14). Ms. Malleck, Ms. Katz's assistant, called back with the information that the response has not been filed. A supplemental Election/Restriction Requirement will be mailed out to Applicants this week..
